

# Sinks & Bowls

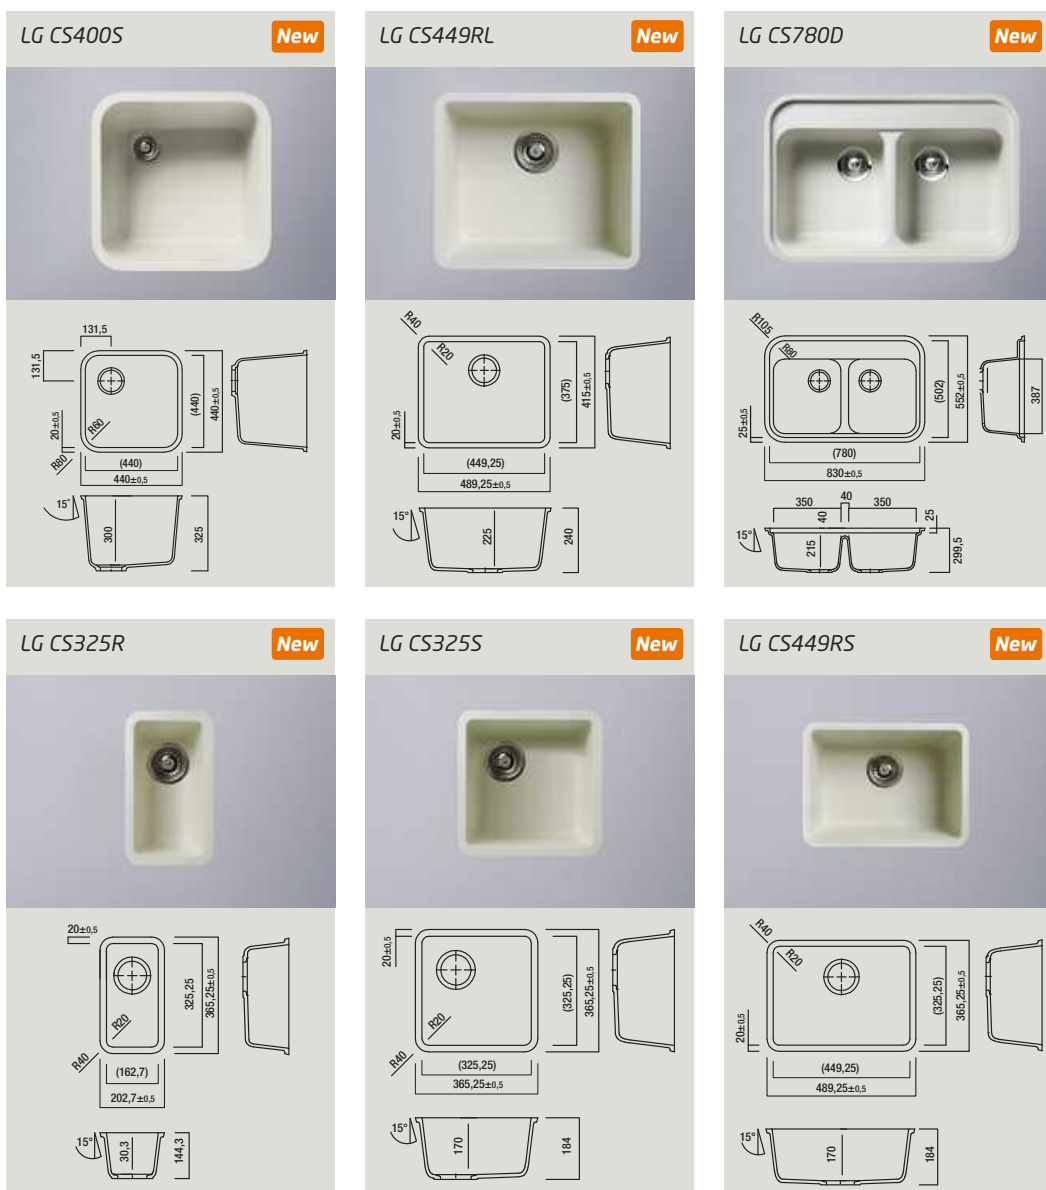

Every option is available to creative designers to design tidy washrooms, kitchens, hospitals and much more with our wide range of LG HI-MACS® sinks and bowls. Perfectly coordinated and ideal for mixing and matching, the bowls and sinks guarantee a modern look that is easy and simple to look after.

## LG Sinks

Irrespective of whether you opt for a matching product from the extensive LG HI-MACS® range or a stainless steel sink, all bowls and sinks are fitted flush with the work surface or inset into it.

### LG Sinks (precast)

These LG HI-MACS® sinks are produced by a highly-efficient casting process and are especially resistant to heat and scratches, yet are perfect for combining with each other.

### LG Universal sinks (thermoformed)

Circular or with a wider radius: the in-built units fit perfectly into the work surface.
